DEATH OF MRS. MARY PARSLEY.

(From Moss Point Advertiser)

The life on earth of this dear old lady came to a peaceful end on Thursday, December 22, 1932, at two o'clock in the morning, when she passed to her eternal reward, after 79 years spent on this earth. Her death occurred at the home of her daughter, Mrs. Singleton McInnis, with whom she had made her home for the past eighteen years. The funeral was held on Thursday afternoon at 3:30 o'clock, Rev. B. A. Meeks officiating, assisted by Rev. J. F. Brock and Rev. W. H. Lewis, with interment in Greenwood cemetery in South Pascagoula.

Mrs. Parsley was born in Choctaw county, Alabama, on the 16th day of March, 1853. She was married to Mr. Edward Parsley in 1880, and the couple came to Jackson county to live. Following the death of Mr. Parsley in 1914, Mrs. Parsley moved from South Pascagoula to Moss Point, and has made her home with her daughter, Mrs. Singleton McInnis, since then. For the past thirty-five years she has been an invalid, so that her death may be called a blessed relief, though the stilling of her gentle voice brought sadness to the hearts of those who loved her, and those whom she loved.

Throughout all the years of this good lady's illness, she has borne her affliction and suffering with a Christian fortitude and patience that has been a sweet and enduring example to those who so faithfully ministered to her during her illness. While an invalid she was a constant student of the Bible, and was sustained by the promises of God contained therein for strength and guidance.

Deceased is survived by three children, as follows: Mrs. Singleton McInnis of Moss Point, John Parsley of Pascagoula, and W. A. Parsley of Pascagoula; also three stepchildren, Mrs. Alice Avera and Messrs. G. W. and Charles Parsley of Pascagoula, and other relatives, to all of whom sympathies are extended by countless friends and acquaintances.

SHORT MEETING OF THE ROTARY CLUB

Mr. Humphrey said he did not come to make a speech, but just to be the guest of Bill Colmer and to enjoy the

The local team is practicing every night for this game and it is hoped that a good crowd will be on hand to see this battle.

The game will start promptly at 2:45 p. m. In so far as sports along the Gulf Coast is concerned this battle will be likened to the sectional battle on Monday between Southern California and Pittsburg. A good crowd will come down from Mobile to urge their team on to victory.

My, My, How Time Does Fly!

Eleven Years Ago in Pascagoula.

Chronicle-Star, December 30, 1921.

Plans were set in motion Thursday for the formation of a Rotary club when Benjamin F. Brown of the Brown Ice Cream Company of New Orleans, conferred with a group of prospective members at a luncheon. About twenty business and professional men have agreed to affiliate with the club. A charter will be applied for.

Under the caption, "Clouds Are Lifting," the Chronicle-Star quotes a national leader as saying:

"In spite of the gloomy outlook at the beginning of the year, and desperate as the situation has been for many people, there is, I believe, a lifting of the economic clouds that have depressed us. The readjustment, which all thoughtful people knew must come, has found many thoughtless people poorly prepared to meet its distressing consequences. The higher we fly in years of prosperity, the harder we fall in years of adversity, and there is no divine statute or economic law to protect people against their own follies or mistakes. With our magnificent country, our splendid citizenship and the best government ever devised, however disfigured we may be, we must continue to lead the world in agriculture, in industry and statesmanship. The best remedy, the only remedy, for much of the present-day unrest and discontent would be a little more good, old-fashioned hard work."

Colmer supporters, who believe that the bulk of the Wilson and Broom support will go to the Pascagoula man in the second primary, predict a considerably larger vote in the second primary September 13.

Adding interest to the contest, political observers of the district say, is the fact that Colmer, a newcomer to the state political field, led two veterans, Hall having served two terms in Congress and Wilson three. Wilson relinquished his seat to make a race for the United States Senate against Hubert Stephens, but was defeated in a close contest.

Ms Else, I also found a Southmayd Scovel and a Sally Louisa Caldwell Scovel on The Orleans Parish Death Index He died July 5, 1845 at the age of 56 and she had died Nov. 19, 1844 at the age of 47. At this time Joseph and Mary would have been 25 or so and Benjamin would have been about 3. In 1850 they are in Jackson County. Could this have been relatives that they were staying with? I have talked to some researchers from CT and they said that Southmayd is a surname that is well known in CT. Does this name show up in Jackson county at all?
Well Thanks again!! Sandi Scovel Hicks

Hi Ms Else,
Thank you so much for your help. I am looking for Joseph's Parents as you know he was b. in CT around 1818. I am also looking for Mary's maiden name. I thought that she was born in Ireland but you mentioned it might be indiana. I can't find them on the 1860 census in Jackson County. Their only son was born in New Orleans Jan. 1842. Is it possible that Joseph fought in the Mexican War? I know Benjamin fought in the civil war. I have muster rolls and pension applications. I found Joseph on the 1890 pension roll. But his name is spelled SCOBEL. I know it is him it reads, Joseph A. Scobel Jackson County MS. His obit said that he spent some time in Texas but it does not say where. Any info you can get will be greatly appreciated.
